

# Presidents September 2020 News Letter

Hello CPCC members,

Here we go again. To paraphrase the President of the Palm Springs Corvette Club;

Well, I don't know about you but, I'm getting very tired of reading and writing about all the things I/we can't do. So, without being overly optimistic, it may be that things are opening back up a little.

My suggestion/offer to open our back yard up for the Club meeting scheduled for this next Tuesday did not garner a very positive response so, we're back to the "News Letter" format.

Happy Birthday to our September birthday folks! Stay Healthy!

August Club activities were again very, very limited. A few Car Shows, Cars & Coffee's and a "informal" small group run or two.

The Hot August Days Car Show in EDH's Town Center had 8 Club members represented with approximately 200+ Cars. Our Club members won two of the 30 Trophies and, we were only one car short of winning the Club Participation Loving Cup. Good turnout under the circumstances. Four of us attended the Cars n' Coffee in Carmichael last Sunday morning, that was also very well attended, with a lot of high end cars there.

The SCCA, has continued to schedule Autocross events at Thunderhill Raceway Park, observing social distancing and participants wearing masks. A good venue, clean and well organized. I'll attach the up-coming event schedule.

October looks to be a good deal of the same. I'll try to keep most everyone up to date, as further activities may come up, if things continue to progress in a positive direction.

Unless current pandemic issues change, your Club Secretary and I will be out of the Country for the 13 October Meeting date, your Vice President Steve Peterman will be conducting, should a meeting be possible.

Please remember to submit your nominations for the 2021 Club Board of Directors at that meeting, or by snail or email, should no face to face meeting be possible.

Keep the faith and , Save the Wave!  
Ron Christensen
