

NCCA Run to Idol Beer Works & McCay Winery Tasting Room
100 S. Sacramento St. in Lodi
Saturday, June 27, 2020

Let's all enjoy an afternoon of Corvette club fun, music, beer, wine, and a picnic-style lunch at the brewery. You may bring your own food to the brewery! Idol Beer Works makes their own German-style beer on site and there's plenty to wet your whistle. Light ales to darks, and IPAs to enjoy. Idol is an open air-style pub. They also have an outdoor game area and stage. We will have reserved tables and blocked-off parking for our Corvettes. For those wanting to wine taste, McCay Winery tasting room is right next door on the same property! Old Town Lodi is one block away on School St.

Group Meeting Place and Time: Stan Krafft will be leading group to Idol Beer Works from the meeting place below. Arrive by 10:30am. We will meet at the "car pool" parking lot at the intersection of Interstate 5 and Highway 12 on Pennant Road. The "car pool" lot is located on the South East corner across the street from the Shell Gas Station, directly off I-5 and Highway 12.

We will depart as a Corvette caravan for Idol Beer Works at 11:00 am. Those wanting to go directly to Idol Beer Works and not partake in the group commute can do so. Do not pull into the Idol Beer Works parking lot. All the Corvettes need to specifically parked in a pre arranged plan. We have to fit 40+ Corvettes on a lot for 30 spaces. Volunteers will be directing you where to park on the lot when the group arrives at 11:30. If you arrive before the group, you are welcome to park your Corvette in the street directly in front of the Beer Works and across the street

Corvette Clubs: I will need a car and head count from each club. Please let me know if your going to attend by June 13th. In 2019 we had 45 Corvettes attending and was a lot of fun. Be sure to plan something for your lunch. Bring your own lunch or dine out.
